

FOR FREE

I still have several cases of model airplane magazines left. They include:

- *Model Aviation*
- *R/C Modeler*
- *RC Report*
- *American Aviation*
- *Model Airplane News*
- *Flying Models*

There are over 100 issues per box and most of them date back into the 80's and 90's. However there are some issues from the 60's and 70's.

Whatever is left by the 1st of March goes to the dump!
