

## **Kitsap Aircraft Radio Control Society**

### **Meeting Minutes**

**June 8<sup>th</sup>, 2010**

The meeting was called to order at 7:00 p.m. (ish).

**Visitor:** Gail Brewer, Todd

**New Members:**

**Treasurer report:** Read and accepted.

**Minutes:** Read and accepted

**Guest Speaker:** None

**Business:**

Runway: This Saturday and Sunday there will be work parties to spread top soil along the pits side of the runway. If we have a big crowd on Saturday, we don't have to work on Sunday. The work party begins at 9:00 a.m. on Saturday.

June 18<sup>th</sup> and June 19<sup>th</sup>: Danny Mason garage sale; time and location to be announced.

June 19<sup>th</sup>: Electric Fly-in and Danny Mason fun fly. Hamburgers and hot dogs will be served.

Watering the runway area was discussed.

[cheapbatteries.com](http://cheapbatteries.com) has information on disposing of old batteries.

Brian Campbell won combat for June. Tom is still the points leader.

Greg discussed the yearly banquet put on by KARC members. One possibility is to have this year's banquet at the Community Center, but we need five volunteers to organize and manage the event. Two member's spouses have already volunteered but we need three more. Please contact Greg Tinius or President Jim if you would like to help volunteer.

Brian talked with the Parks Department today. They were very happy we got 1,015.5 hours into working on the property during the past month.

Greg has resigned as Head Instructor as he has too many items on his plate. Jim Gilbert will now be the Head Instructor. Greg will still be instructing.

**Show and Tell:** None

**Raffle:** Carried over to next month

**Quarter Drawing:** No winners

Next month's meeting will be at the field.

The meeting was adjourned at 7:36 p.m. (exactly).

Minutes approved July 13, 2010.
