

Kitsap Aircraft Radio Control Society

Meeting Minutes

September 15th, 2010

Meeting called to order at 7:00 PM

Visitors: None

New Members: None

Treasurer's Report: Read & Accepted

Last Meetings Minutes: Read & Accepted

Guest Speakers: None

Old Business:

- For further clarification it was stated electric planes should not be started under the canopy.
- Competitive flying for large models is difficult to promote because of the proximity of the trees.
- Discussions continue with the parks to try and get a committed lease for the 10-acre parcel of the flying field.

New Business:

- Brian Campbell mentioned perhaps a financial group from the club would be interested in purchasing land.
- It was reported that a flyer named Nathan left two transmitters in a sliver case on Sunday 9/11/2010 at the field. It will be put up on the web page in the lost and found to see if anyone knows what happened to them.
- Rob will send telephone rosters by mail to anyone who doesn't use e-mail. You need to make a request direct to Rob.

- Web committee will be out of town for 3 weeks.
- Air show for 9/17/10 has been cancelled.
- Verlyn brought up litter at the field. Jim asks everyone to take responsibility to clean up before they leave the field.

Show & Tell

Raffle: None

Quarter Drawing: winner not in attendance.

Meeting adjourned by Jim at 7:45 PM

Minutes approved November 9, 2010.
