

Kitsap Aircraft Radio Control Society

Meeting Minutes

October 11th, 2011

Meeting called to order at 7:00 p.m.

Visitors: Steven Poe

New Members: None

Treasurers Report: Read and accepted

Last months minutes: Read and accepted

New Business:

- The lock on the container has been replaced with a key lock. Greg, Brian, Al and Ron have a key. The combination on the gate may be changed soon; members will be notified.
- Brian Campbell has been meeting with the South Kitsap School District to start a program learning how to build and fly RC Airplanes.

He is proposing that we donate three RTF Super Cub's and three flight simulators valuing approximately \$1,000.00. Chuck McGuire, owner of Blue Sky Hobbies in Bremerton has offered to make part of that donation. It may be possible to get some participation from the Lion's Club as well.

We will need several members with building experience to visit with the students at the schools to answer any questions they may have as they will also be building some simple planes from plans.

- The Port Townsend Air Museum tour was cancelled last Saturday and has been rescheduled for October 22nd. We will meet in a parking lot in Silverdale and carpool from there. Please notify Greg Tinius at mvallyman@hotmail.com if you are interested in going so we can get all the details to those interested.
- Open Shop Schedule Host's will be:
 - October 18th Jim Mc Edwards
 - November 15th Greg Tinius
 - December 20th Al Franklin
 - January 17th Neil Makar
- Combat Standings
 - 1st place: Corkey
 - 2nd place: Brian
 - 3rd place: Lorin
- The Annual Club Banquet is tentatively scheduled for January 7th or 14th at the La Quinta Inn. Jeff will be looking into an alternative as another choice.
- Next Month:
 - We will be taking nominations for next year's officers.
 - We will have a guest speaker, Bob Jacobson, who used to run Galaxy Hobbies in Lynnwood.

Show and Tell:

- Greg showed his kit-built Sig LT 25 decorated as "Little Field Sheriff"
- Lorin talked about a book "The Sport Plane Builder" with valuable information.
- Brian showed his new combat plane with a "V" tail and explained how the servo mixing works.
- Al showed his tool to hold an airplane for spray painting that rotates it like a rotisserie.

Greg Won Drill bits for his showing.

Quarter Drawing: No winner; Robert Gleim's name was drawn but was not present.

Meeting adjourned at 7:45 pm.
