Contacted by Gail Petranek, the Local cubscout day camp coordinator, she would like a couple of flyers from our club to do a small demo, at the fairgrounds field for the day campers on their lunch break, Wednesday or Thursday lunchtime, I will get specific times, for two weeks, July 15-18th and July 22-25, Are there any volunteers.

Received a letter of donation, from a Ken MacLachlan, he's no longer flying, and wishes to donate his stuff, Brian expressed interest for the school program, I think this is appropriate, are there any concerns, if not I will let Brian handle this.
