COMMITTEE REPORTS

Board Meeting Report:

Rob Showman: Board meeting was held on October 7, 2014. The board reported to the Parks Advisory Board that Little field should not be utilized as a Powered Paragliding Field at this time. A new Event Planning team was formed that will plan the events for the KARCS over the coming year.

Contests and Rules

Pylon: Neil Makar report:

Reno Racing Rules to be posted for review.

Pylon racing results for the year were announced: Terry 1st, Sean/KC 2nd & Tom 3rd.

Combat: Results for the year were announced: Neil 1st, Rick 2nd & Corky 3rd.

Special Event: Open Shop was canceled

Special Event: Golden Age Fly-in was cancelled.

Safety

Club Safety Officer: A flyer at the RAMS Field had gas splashed in both eyes during a refueling mishap. Be careful while refueling and consider actions for incidents such as these. Will add a supply of water at the field for emergency use. Terry brought up the possibility of adding sand bags to the list of safety equipment that should be available at the field. The sand bags would be used to aid in the extinguishment of battery fires, should they occur.

President: No report.
