Safety:

- Hydrate fires
- Use overflow tanks
- Put cards on the board before powering on transmitter

Field Maintenance:

- Work party scheduled for September 17, hoping for a good turn-out, like last time.

Instruction: No new students

Publicity: Terry has stickers available: small (\$1.00) and large (\$2.00)

KITSAP

Aircraft Radio Control Society

OLD BUSINESS

School program: Donations from Valley Koskovich's estate available for purchase. Everting is VERY cheap; take a look. Brian needs assistance with the program.

NEW BUSINESS

Events: The club decided not to participate in Kitsap County Fair and in the Blackberry Festival Fly-in.

Open shop: None

Members Concerns & Questions About the Club

- Terry spoke about needing additional volunteer & donations for Competition-day lunch
- Terry suggested having a foam-building theme Open Shop
- KC spoke about the ALPA-sponsored Fly-in at Bremerton Airport on August 18th & 19th.

FUN AND GAMES

25 Cent Drawing: Denise

Show and Tell:

- Harvey won with his Bandito Grande
- Terry discussed the use of foam board from \$Tree for airplane construction
- Chuck discussed development of Li-Air batteries with up to 4X the power density of existing batteries.

Adjourned: 7:47 pm
