Rob reported total membership is up – 72 roster members, 67 paid.

Looking for any ideas to boost our membership. Rob will send an email inviting ORCAS club members to fly.

Schools Coordinator

Indoor flying Friday, 6:30pm – 8:30pm.

Brian – nothing heard from either school.

Field Maintenance

We will coordinate a scotch broom spraying in early June via email based on a dry spell in the weather. KC will mow the field when we have a break in the weather. KC brought up the possibility of renting equipment to clear brush (brush hog). The club voted to approve letting KC spend up to \$500 to rent equipment for brush clearing.

Chuck got a reply on the master plan approach for the county. Most likely will not be until September before a meeting that will specifically address the master plan. We will plan on briefing the board either in June or July with our proposed use of Coulter Creek Heritage Park.
