Guest: None

Treasures report: Juan gave report.

Minutes: Read and accepted.

Committee Reports: None.

Safety: No Report.

Field Maintenance: All is ok.

Events: None

Entertainment: No report.

County Parks/Field Committee: No report.

Instruction: No report.

Old Business:

No news on the lawn mower.

Club Banquet: Bremerton Airport, Jan. 5th, 2008 Happy Hour 6pm, Dinner 7pm, Buffet style, Awards after dinner. Make checks payable to Kitsap ARCS, Juan Andrade, 73c, Haven Rd, Bremerton, WA 98312. Cost is \$19.00. Have your checks to Juan by Dec 31st as restaurant needs a headcount.

Club dues are due. See Juan. If he hasn't received your dues. He will mail you a letter with a returned letter enclosed for your check.

On Tuesday, December 18th, Al will have another rebuilding seminar in his shop.

Last one for a couple months.

Lorin Miller volunteered a trophy for the awards. Al will handle the awards banquet.

New Business:

Nomination for Officers

President: Al Franklin

Vice President: Bruce Lockridge

Secretary/Treasurer: Elliot Burks

Honey Bucket costs us \$160/month to service.

Verlyn Grange informed the club of the Winter Fest display we put on for the Navy MWR. The Navy has asked us to come out to Camp McQuin to do a float fly demonstration? Verlyn will pass on more information when he receives it. It appears it will occur on Jan 5th. Anyone interested in flying the float fly, please contact the Webpage editor and give your name and phone number. I'll pass it on to Verlyn.

Club held the annual gift exchange.

Education: No report.

Drawings and prizes: O.S. 25 FSR - **Need another \$18.00 for the raffle. Nobody won the quarter drawing.**

Show and Tell: Verlyn showed off his Motorplex Twin Jet, Twin 480 electric motors, 6x4 stryker props. Flies between 55 to 70 mph. It has Verlyn's traditional Red, White, and Blue paint job. He covered the foam model with Monokote self stick trim. Verlyn took the model to Al Franklin's rebuilding seminar (the past two sessions) and was able to get some good advice on covering it. Verlyn sports a

refractive ribbon on each tail of this twin tailed aircraft. Refractive ribbons are a symbol of the Multiple Sclerosis Society. Verlyn has renamed his aircraft,

"MS Freedom Fighter".

Danny Mason brought his LS Segler glider. It's a German kit with German instructions. Originally Czechoslovakian. The instructions were originally in Czechoslovakian, translated into German, translated into English. It's small and easily come apart for transportation.

Verlyn won the Show and Tell.

Next Meeting, Jan 8th, 2008. 7:00 pm at S.C.I.
